Caitlin let everyone know that there was only one check to write. Caitlin also informed everyone that there were no funding requests in the box; however, the cheer team had to purchase two additional uniforms. Erin asked if the uniforms would be school property and Caitlin informed the group that they would become school property. There was a motion to approve the purchase of two additional cheer uniforms by Andra, and a second by Sarah L and all were in favor and the motion was passed.

A visitor, Mr Stark came to the meeting to discuss the Young Astronauts club and talked about the program starting in the next couple of weeks. He said Mrs Stark was been working on coordinating the lunch time program schedule and that the MRC approved the use of the complex to launch the rockets. He also informed everyone that Casey would be helping with the program and he was excited to have his help. Caitlin informed Mr Stark that the Young Astronauts club was in our current budget and we were excited to have the program back for grades K-6.

Caitlin moved on to approval of the January 21st meeting minutes. There was a motion to approve the minutes Andra and a second by Sarah L and all approved and motion was passed.

Mrs Pietrocci informed everyone that the school is busy as always and that standardized testing was coming up. She had no other news to report.

Caitlin briefly discussed the uniforms and the allowance in the budget for the teams and all agreed that the PTK is in place to help any family that needs assistance we just need to get a formal request. Caitlin let everyone know that Mrs Blasers class did the Thank you letters for the \$5k donor and that she gave them to the parent to give to the company and he was very appreciative of them. Caitlin reminded everyone of Bingo Night on 4/10/26 and that we would work out details in the March meeting. Caitlin said she would contact Kim Jones for the bingo cards that were borrowed from Chapparall Elementary last year. Caitlin asked Andra if she could help create some sort of "logo" for the PTK to place on events, or things that the PTK sponsors throughout the year so that parents and our community can see where the PTK dollars are going. Andra agreed to help.

Caitlin informed everyone of the open board positions on the PTK. She let everyone know that Robin was no longer at the school and we needed to find a secretary. Caitlin will be President and Secretary for the remainder of the year. Caitlin let everyone know that Kalmy and Caitlin with Co-President next year and Erin Rackers will be the VP, all the changes will get approved in the April meeting. Caitlin thought we could have the push for possible Treasurer and Secretary positions at the Room Rep thank you party that Erika Fleetwood will be organizing. Caitlin jumped into the Room Rep party and Sarah suggested Cowgirl. Erika will be calling to see about scheduling the group thank you for around 20 people. Erika Gomez motioned to approve the purchase of dinner for the party for around \$500 and there was a second by Sarah L. Motion was passed.

In the discussion of the open positions Caitlin said she would try and get a quote for officers insurance and perhaps that would make people feel more comfortable volunteering for these roles. She also

explained that we have a new CPA that will be doing our 990 tax return instead of it falling on the Treasurer position.

Mrs Peitrocci let everyone know that the school cafeteria food often gets thrown away so many teachers will eat the lunch. It was brought to the districts attention and they have informed teachers that they need to pay for lunch. Mrs Pietrocci requested the PTK cover those costs. There was a motion from Erin to approve \$100 for the remainder of the year and to put \$400 in our budget for the following year for teacher lunches. Sarah L seconded the motion and the motion was passed.
